Congratulations for having worked your way up to Level 9B of The Mayron Cole Piano Method! That is quite an accomplishment! In this textbook, we will travel through each of the five major eras of piano music: Baroque, Classical, Romantic, Impressionistic, and Contemporary. However rather than presenting the Level 9B compositions in chronological order, I organized the pieces according to concepts taught, difficulty, and of course, to "end with a bang." Enjoy the trip through piano history during this final textbook in my curriculum.
